Foreword

Since the death of President Kennedy, the fine fervor and desire for service to humanity and to our country's best interests has suffered a slow diminution. Apathy and passivity have once again become the mark of the younger generation, except for those who chose to rebel against authority. We are for rebellion where the objectives are clear-cut and worth-while. With one life to live we want to make it count. Our yearbook theme is therefore a "call to arms" against indifference and insensitivity. Let us strive to be better than we are.

Origin of Tiot Name

Many moons ago, when the redman ruled this region, he gave it the name of TIOT, meaning "enclosure of waters," in the language of the Neponsets, a branch of the Algonquin tribe. A glance at the map shows how appropriate this picturesque name is, for Norwood is bounded on the north by Planting Field Brook and Purgatory Brook, on the south by Traphole Brook and the Neponset River, on the east by the Neponset River, and on the west by Hawes Brook and Germany Brook.

Mr. Everett Learnard

Mr. John Sullivan

Dedication

To Mr. Everett Learnard and to Mr. John Sullivan the Class of 1966 gratefully dedicates its yearbook. These two gentlemen have been the backbone of the Science Department at Norwood High School for a combined total of sixty-five years. For their patience, their dedication, their enthusiasm and their wholehearted involvement, both in their work and in the good of this school as a whole, they have earned this recognition. We wish them continued success and happiness in their new "lease on life."

Fear of involvement, fear of reprisal,
and fear of strangeness make for
apathy toward human pain and
human involvement.

*"One is a responsible citizen and a
worthy human being, not because of
the risk but because one acts in the
face of it."*

Our Leaders

Rakauskas, Bevivino, Purnell

The Men Up Front

The class of "66" owes much gratitude to George Rakauskas, the Co-Editor-in-Chief of the 1966 Tiot. He has worked hard on the Math Team and has earned his admittance into the National Honor Society. George plans to attend Harvard University.

Charles Bevivino was our hardworking and ever-competent Student Council President. Under his leadership, the Student Council sponsored many successful affairs throughout the year. Charlie was an active member of our Championship Basketball team. He will further his education at Boston College.

We went through our Senior year at the "Hill" under the guidance of Jon Purnell, capable Class President. Jon, an excellent student, was the winner of the American Legion Award for U.S. History in 1965. He is heading for Yale in the fall to major in History.

Our Pastures Were Green And So Were We

1966 Class History - Freshman Year

We entered upon our first year at Norwood High a bit shy and a bit wary yet filled with aspiration that the class of 1966 would forever be remembered and admired in the annals of Norwood High.

We survived the confusion and apprehension of the first few weeks of school with minor bruises. However, our egos were a bit deflated due to the harassment of our older schoolmates, who under the guise of helpfulness, frequently misguided us.

Our first duty as freshmen was to choose our leaders—William Crowley, president; Elizabeth Callahan, vice-president; Mary Phalen, secretary; Andrea Bremer and Michael Adelmann, treasurers; and Martha O'Leary and Frank Danieli, A. A. Representatives.

After this routine business had been taken care of, we proceeded to plan our first social event as members of Norwood High—the Freshman Party with the theme

of "Fall Fantasy". That evening we discovered the many hidden talents of our fellow classmates.

In our freshman year our class was outstanding in many areas. We had our share of superior scholars and robust athletes.

Those leading our class scholastically were Jon Purnell, Margaret Mitchell, Loftin Elvey, Ellen Morgen and Andrea Bremer. In athletic endeavors we relied on John Solomon on the gridiron, Mike Griffin on the court, and Richie Hebner on the ice. We contributed to the many diverse groups in extra-curricula activities—music, debating, and dramatics.

By June we had established ourselves as competent school citizens and enthusiastic supporters in all athletic events. With the help of the faculty and upperclassmen we gained the confidence we needed to return to the Hill—this time as "wise old sophs."

We Found A Home On The Hill

1966 Class History - Sophomore Year

In September, 1963, the class of '66 returned to begin its second eventful year on the Hill. Although still considered underclassmen by our elders, nevertheless, we had the satisfaction of knowing that we weren't the lowest group on the totem pole.

Our class, unique as it was, did a rare thing in re-electing the same slate of officers for the second year in a row. William Crowley again took the lead aided by Elizabeth Callahan, Vice-President, Mary Phalen, Secretary; Andrea Bremer and Michael Adelman, Treasurers; and Martha O'Leary and Frank Danieli, A. A. Representatives.

Our sophomore year was especially and uniquely outstanding because of a few unexpected October holidays caused by the bomb scares. We did "time" for these later on, however.

On October 25, the Sophomore Party,

"Autumn Leaves" was held. It was, without a doubt, a great success. We shall never forget the confusion of the memory dance.

At the outset of our sophomore year, our athletes began to show their prowess in all varsity sports. Our "Gullamen" were John Solomon, Frank Danieli, Michael Griffin, and Chris Effertz. The hockey heroes helping to gain a Bay State Championship were Richy Hebner, Robert Donahue, William Crowley, William Hasenfus and Robert Clifford.

In 1964 the J.V. Basketball team was made up wholly of sophomores; in retrospect a signal of the championship which was to emerge in 1966.

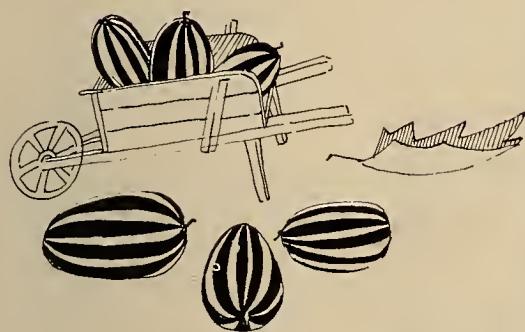

We ended our sophomore year having further engraved the class of 1966 in the minds of all and we eagerly awaited upperclassmanship in the next fall.

We Expanded Our Spheres Of Activity

1966 Class History - Junior Year

The Fall of 1964 ushered in a new school year with the class of 1966 returning to take its place on the Hill—this time with the distinction of being upperclassmen. Along with prestige came responsibility and our first duty as upperclassmen was to elect a slate of officers. William Crowley was, for the third year, elected President. He was assisted by Peter Black, vice-president; Mary Phalen, secretary; Mary Babel and Roy Immonen, treasurers, and Kathleen Drew and Frank Danieli, A.A. representatives.

As juniors we played an integral part in all school affairs. Our athletes, as usual did their best to uphold the enviable reputation that our class had established. In football, we depended on John Solomon, Frank

Danieli, Michael Griffin, and Michael Bradley. On the basketball court, the juniors were also successful due to the prowess of sharpshooters Christopher Effertz, Stephen Hemman, Roy Immonen, Michael Griffin, and Richard Shumski. In that year our hockey team, second best in the state, was helped greatly by the efforts of Richy Hebner, William Crowley, William Hasenfus, Robert Donahue, and Robert Clifford.

We were more than proud of our track team which carried home the Bay State Conference trophy to Norwood High. Among those athletes who deserve our praise for helping accomplish this feat are Jack Flaherty, Michael Sullivan, Jon Purnell, Kevin Raftery, Bernard Cornelia, Jim Robertson, and Matthew Whemas.

At the first Hootenanny ever held at N.H.S., we found that many members of our class were musically talented. Among the performers were Irene Gotovich, Kathleen Stewart, the Raftery girls, Barbara Hucksam, Liz Callahan, and MaryBeth Noonan.

Two students deserving special recognition for exceptional academic achievement were Loftin Elvey and Jon Purnell. Loftin was the recipient of the Harvard Book Prize and Jon received the History award for excellent scholarship in that particular field.

An exciting experience took place when our school was fortunate to be the host for six German students and two of their professors for three weeks. These students lived with Norwood families and participated in our school activities. It proved to be a rich experience for all concerned.

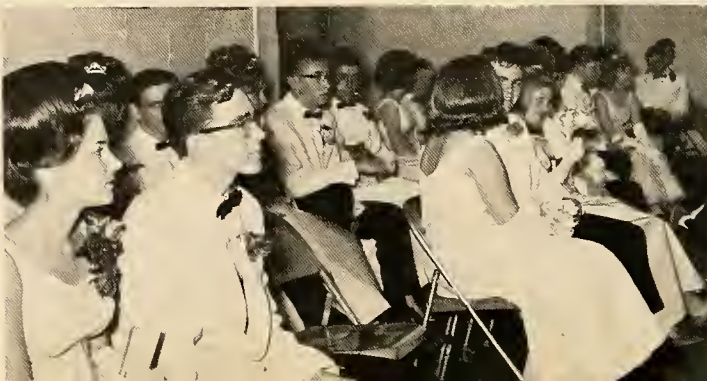

As the seasons changed so did our interests, and as the thrill and excitement of the state hockey tournament subsided our thoughts turned to social activities, in par-

ticular, to the Junior Prom. We choose our theme, "Some Enchanted Evening", formed our committees, bought our gowns, rented our tuxedos, and made detailed preparations. Before we knew it the long awaited night arrived. The cafeteria was transformed into a beautiful South Pacific Isle with lovely girls, handsome swains, and swaying palms. It was truly an enchanted evening for all.

It was with great pride that we attended the annual awards assembly where our scholarly schoolmates were received into the National Honor Society. Those of us rewarded for outstanding academic accomplishment were Nancy Aicardi, Pamela Bowen, George Rakauskas, Ellen Morgen, Carol Miller, Loftin Elvey, Margaret Mitchell, Joan Vasilauskas, Barbara Staller, and Roy Immonen.

It was with mixed emotions that we fulfilled our last duty as juniors, which was to bid farewell to our senior friends—sorrowful, for having to end friendships, but proud and happy to ascend to the top rung of the ladder—at long last.

The Elysian Fields of Seniority

Class History — Senior Year

With pride, hope, and determination we accepted the title of "Seniors" in September of 1965. Upon our return we were greeted with a new face among the old familiar ones — that of Betty Grullon, our delightful exchange student from the Dominican Republic. Before long, we took full command of our new position for which we had long awaited.

1966 could be called the year of change. For example, we had a new class president, Jon Purnell, to lead us on our long last stride before adulthood. His helpers were Donald Anastasia, vice-president; Mary Phalen, secretary; Beth Donovan and Michael Adelmann, treasurers; and Kathleen Drew and John Solomon, A.A. Representatives.

Our class has broken many precedents in its career at N.H.S., probably the most

memorable of which was the victory over Natick at the height of our football season. For fifteen consecutive years, Natick had beaten the Norwood team on the gridiron; however, in 1966 our championship team scalped the Natick Redmen 9-6 — a feat which few will forget. Our team was captained by John Solomon who was ably supported by Michael Bradley, Mike Griffin, Kevin Raftery, Dennis Roberts, Dave Graham, Dick Frucci, Peter Barry, Frank Danieli, Chris Effertz, John Stanovitch, and Tom Costello.

Our basketball and hockey teams also added lustre to an already famous class with both teams entering post-season tournaments. In basketball, it was the first time in eight years that Norwood High had been represented in the Tech tourney. We owe a great deal of praise to the players, with

special applause to Chris Effertz, Mike Griffin, Rich Shumski, and sixth man, Steve Henman; and warm thanks to their coach, Mr. Nolet.

Hockey has always been a successful sport at Norwood High and this year our class upheld Norwood's reputation in the league by winning the Bay State championship. Richie Hebner, Captain Bob Donahue, Bob Clifford, Bill Hasenfus and Neil Higgins, the great soph goalie, led us to the semi-finals of the state tourney to crown a successful and exciting season. Coach Wheeler deserves congratulations.

We not only had proficient athletes, but also talented Thespians among the members of our class. Barbara Hucksam, Mary Ellen Mulhern, Jean Towne, Jon Purnell, Andrea Bremer, and Dennis Roberts demonstrated their acting ability in the Senior Class presentation of "We Shook the Family Tree."

Our talents also reached into the field of music. Our production of "Varieties '66'" uncovered talent of which we had no knowledge. Among our chanteurs were Jeffrey Nash, Kevin Taube, Paul Pelligrin, Andrea Bremer, Peter Black, Betty Baldwin, Donna Day, David Franciosi, Kathleen Stewart, and Liz Callahan.

We are especially proud of one member of our class, Loftin Elvey, for winning the Northrop Corporation Merit Scholarship.

Although April brought with it few spring-like days, nevertheless the dreaded disease, "senioritis" set in as usual and our thoughts turned towards social activities—the most important of these being the Senior Prom, which was held May 20th at Sidney Hill Country Club. Night of dreams realized! What pulchritude and poise were on display!

We lived through the agonies of final examinations and ended our reign in a blaze of glory and a week of activities including the Honors Banquet at the King Philip Inn, the Sports Banquet, Class Day, Baccalaureate, Senior Banquet, climaxing with Graduation.

We owe deep gratitude to Mr. Monbouquette, Mr. Picirilli, Miss Ryan, our teachers and our coaches for guiding us through the most important years of our lives. We feel that through this rich experience we have gained the necessary attributes to become respected citizens aware of our responsibilities and ready and willing to shoulder them. Bon voyage, mes amis!

Guidance Department

The expansion of the Guidance Department from four counselors to six (three male and three female) was the predominant feature of growth and development in this area this year. To house this enlarged staff, it was necessary to convert the library office into twin consultation rooms for two of the male counselors. The increased staff necessitated adding a second secretary to the clerical staff.

It was the purpose of these counselors to acquire an overview of the total educational development of each pupil. This was accomplished through individual counseling and standardized testing. In addition to the nation-wide tests, such as the college board entrance examinations, the guidance department administered individual and group intelligence tests, talent-searching aptitude tests, and achievement tests. It was their responsibility to interpret the patterns revealed by these test results to teachers, parents, and pupils, and to coordinate all efforts contributing to the success of each pupil.

In the performance of these duties, the staff worked closely with administrators, teachers, parents, and community service officials. School resources in specialized areas such as reading and speech were fully utilized; and when maximum help required the resources of local and state agencies, these contacts were made on a referral basis. Thus it became the hope of all concerned that individual students would be helped to grow in independent learning, decision-making, and personal adjustment.

English Department

The Norwood Senior High School English Department offered a wide variety of courses in the English language and in literature to provide for the particular needs of the student body. Course offerings were planned to develop and enrich skills in reading, writing, and speaking, those areas of special concern to the English faculty.

Grammar was taught as the base for correct written and oral expression, but a knowledge of and appreciation for literature was, as always, the core of all English studies. Norwood Senior High School classes used a variety of modern texts to explore the novel, short story, drama, essay, and other literary forms. A survey of English and American literature was carried on through the Junior and Senior years to provide the student with a better understanding of his literary heritage.

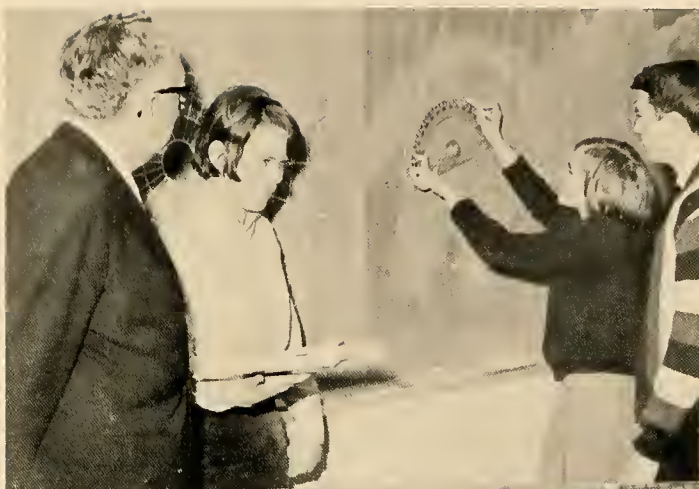

Several times during the year students were given the opportunity to confer with their English teachers about the quality of their work. These conferences were scheduled in an effort to improve, develop, and enrich skills in written and oral composition.

A special feature in the English Department was the opportunity offered to make class field trips to Boston and suburban theatres to see stage plays. In this way, interested students are given the opportunity to see worth-while legitimate theatre at nominal prices.

Next year the department will offer elective courses in creative writing, drama and public speaking.

Mathematics Department

The mathematics department is now nearing the end of a period of revision and change which is quite unlike any other period in the history of teaching mathematics. In the past ten years each course in the curriculum has been substantially revised in order to take full advantage of new research done in the area of math education. This year, for example, the department participated in a federally funded study to discover whether the use of a time-shared computer would improve the learning of mathematics.

One class in second year algebra traveled to Westwood once a week, where they programmed and solved problems in algebra through a terminal which was attached to a P D P-1 computer in Cambridge.

Most of the students found using a powerful, high speed computer interesting, challenging, and exciting. In addition to their participation in a truly forward looking project, they had fun.

In the Basic Math courses, where programmed instruction was introduced in 1963, a compromise was reached. The programmed units were used for five weeks each term, and the regular text for the other half of each term. This instruction was achieved without the possible resulting boredom, while the regular teaching continued, with some of its problems removed or at least eased.

Foreign Language Department

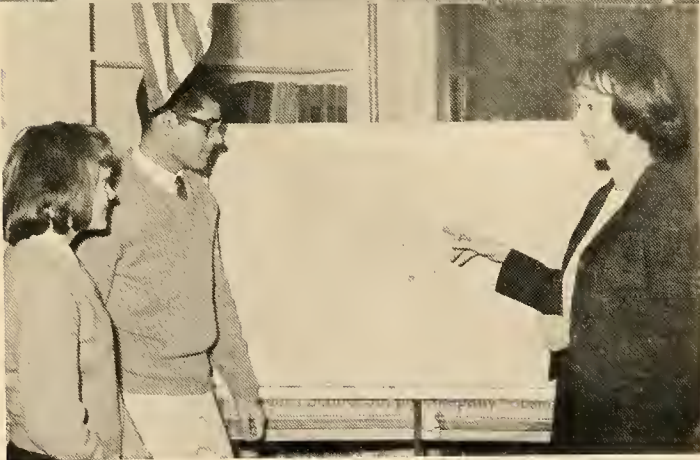

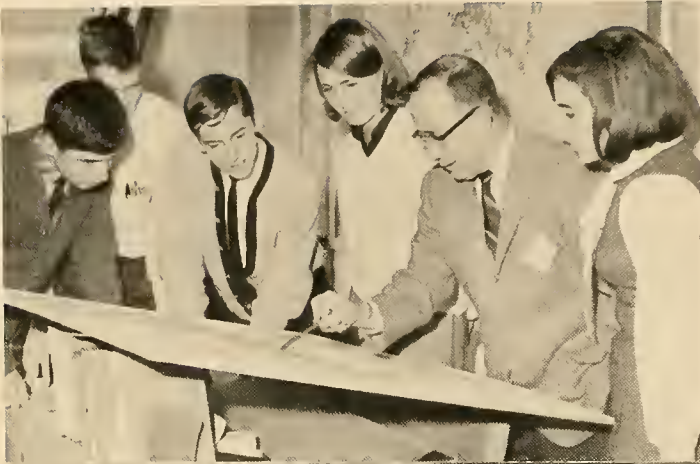

The growth and expansion of Norwood Senior High School has been reflected in the Foreign Language department. This year, for the first time, there is a class in fourth year Spanish. There are two classes in fourth year French and two in fourth year Latin. Next year it may be possible for those French students who have successfully completed four levels of French instruction, the first of which was at the Junior High School, to do advanced study for an additional year.

The laboratory continues to be a very useful adjunct in the learning of modern foreign languages. Each booth is equipped with a tape recorder which permits the student to listen to a variety of French and Spanish speakers, then to attempt to imitate them, and, finally, to play back his own performance and compare it with the master recording. By means of drill exercises the student may master structures of the language which have been presented in the classroom. Recordings also provide him with additional information concerning the culture of the countries being studied.

Each student is scheduled for lab work—two periods of approximately twenty minutes every seven days and has the opportunity for supplementary work during his study periods and after school hours.

History Department

The Norwood Senior High School History Program is designed to develop well informed citizens by providing more depth and continuity in subject areas and more variety in course selection.

Courses have been offered to the student on the advanced level in Western Civilization and American History I. Upon successful completion of these courses, students will advance to Western Civilization II and American History II. Those students who are taking American History I and II will be encouraged to take the Advanced Placement Examination which will, in some colleges, give them six credit hours toward degree work.

For the college preparatory student Western Civilization I or American Government is offered in the Freshman year. Sophomores will take Western Civilization II, and Juniors will take United States History. At the Senior year level, the college preparatory student has a wider selection of courses. The student may select any two of the following courses, which will be given during two terms in the academic year: Economics, Russian Studies, International Relations or Recent United States History.

For those students who do not plan to continue their education beyond the secondary school level, courses are offered in American Government in the Freshman year, Geography in the Sophomore year, United States History in the Junior year and a choice of either Contemporary Affairs or Economics in the Senior year.

This year each student was given a complete course outline of every subject in the Social Studies area. It is hoped that these outlines will help both the students and the teachers in understanding the direction, purpose, sequence and requirements in each course.

Science Department

Our step upward this year was a really giant one. First we offered Biology to a group of selected Freshmen and present reports point to a success in this venture. Secondly, we offered another in the spectrum of "Biological Sciences Curriculum Studies" offerings, this time the Yellow Version, a cellular approach. Much has been learned about the cell since the electron microscope has been used in order to increase the understanding of the actual working of the cell, particularly how heredity becomes a chemical problem. The Blue Version approach searches the actual chemistry of the cell in order to arrive at reasons for cell activity. Also in Biology we offered a second year of advanced study, with the hope that three years of science would precede the election of this in the future.

Chemistry continued with the CHEM Study course and we are due to offer a second year in 1966-67. We continued with the Physical Sciences Study Committee (PSSC) course, seven periods weekly.

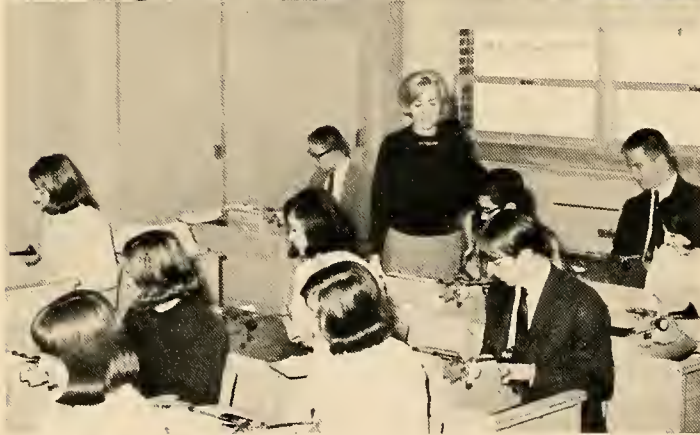

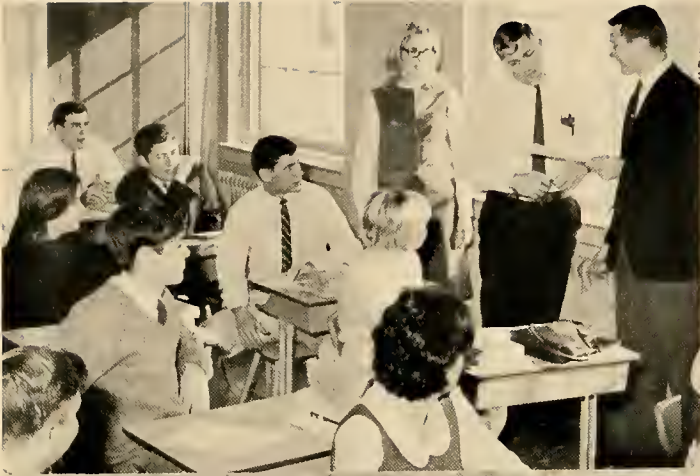

Earth Science is feeling the lack of space most seriously as the school grows. This subject has the greatest number of students and yet it has to be taught in almost every room on the floor. Let us hope for a section in the new addition, maybe a planetarium?

Our much maligned rotating schedule of classes is made to order (literally) for the science department, as it allows an extra long laboratory period in addition to a regularly scheduled extra period once a week—two in Physics. This allows an approach to true experiment in our Sciences and should give students a better appreciation of laboratory work.

The department is growing annually and students may select from a wide variety of courses to prepare for our science-minded world.

Business Department

Despite popular opinion that automation is about to eliminate the need for office personnel, statistics published by the Department of Labor show quite the contrary. The need for well-trained stenographers, typists, bookkeepers, and secretaries has never been greater. The projected future need is said to be critical.

The business department at Norwood High School offers a variety of subject matter in an attempt to help our young people to obtain a good training in those areas considered to be important by business management. Our business curriculum offers courses to provide a thorough training in shorthand, transcription, typewriting and bookkeeping. In addition, an introduction to a variety of business machines, filing, and office automation is provided.

The courses are planned to permit some individuals to take courses that will satisfy personal needs as well as more complete courses for vocational requirements. Many of our students continue their education beyond the secondary school level; we are pleased to state that many obtain gainful employment upon graduation from high school.

Through the fine cooperation of the U. S. Civil Service Commission, for the past several years we have been able to offer civil service examinations here at Norwood High School.

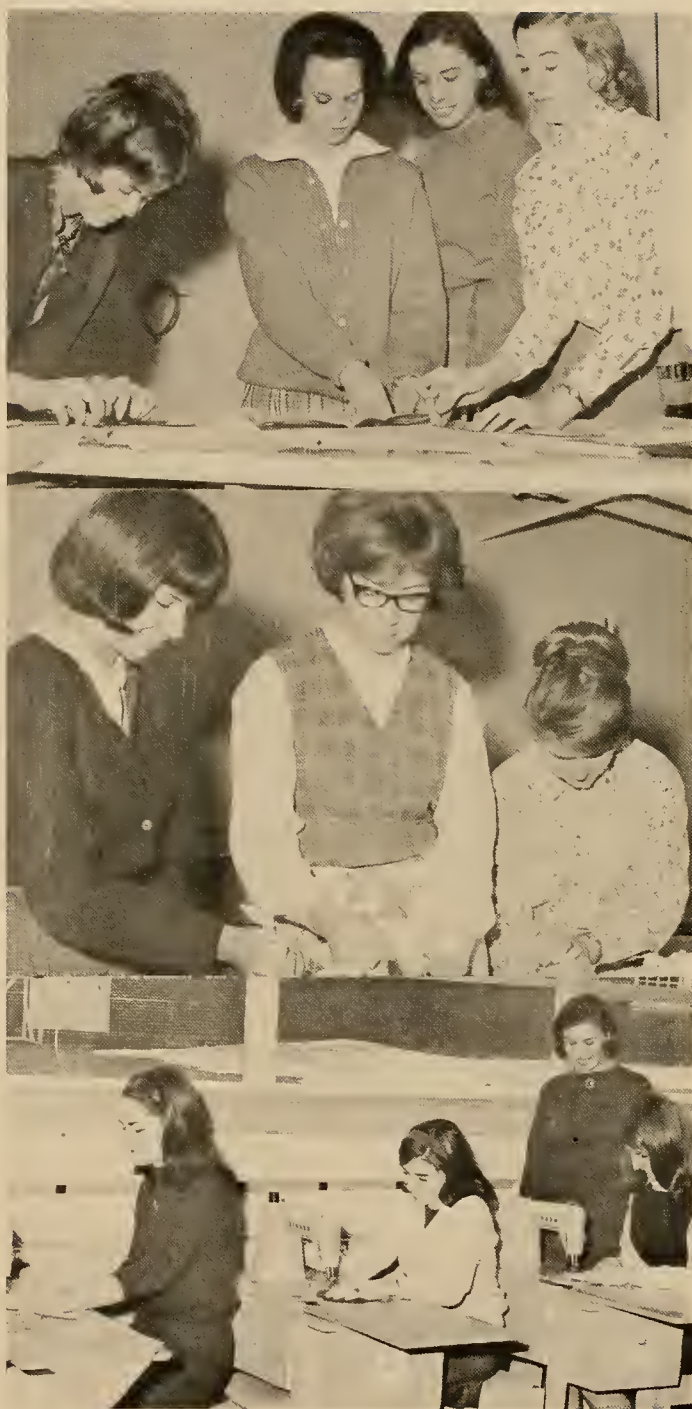

Home Economics Department

The Home Economics Department this year offered more than four hundred girls an opportunity to develop themselves as responsible and deft individuals through class experiences which can be put into practice in daily living.

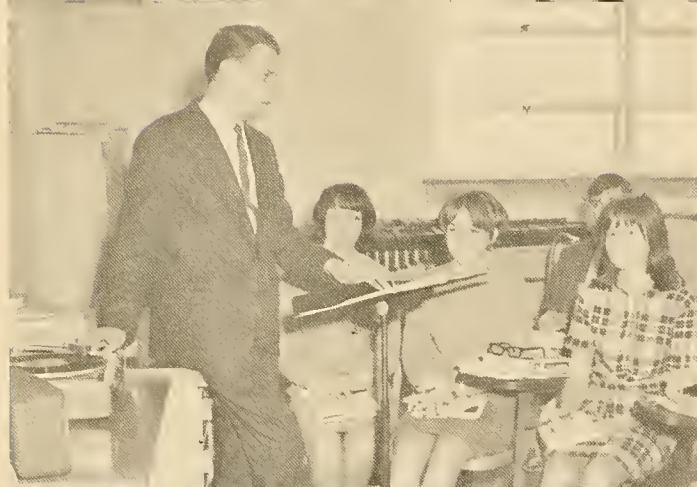

They learned the fundamentals of good nutrition and the planning of breakfasts, lunches, and dinners for various age groups and meal situations. They followed good and safe housekeeping practices and learned the rules of correct table setting for different types of meals.

The girls were taught to use the sewing machine and patterns. Each made a sampler of hand stitches and learned to fit and alter garments while constructing them. In studying fashion and good grooming they became more aware of the principles which govern personal appearance. Some classes worked on tailored garments and learned the techniques of making coats and suits.

Those who followed Home Economics through to the senior year enjoyed the experiences of flower arrangement and cake decorating. Speakers on these subjects came to the classes and gave professional demonstrations to the girls. Many girls took advantage of the Elective Home Economics class and of Home Management where they were introduced to many other aspects of home and family care.

Music and Art Department

MUSIC DEPARTMENT

The musical curriculum was substantially broadened this year. Upperclassmen were able to elect courses in Music Theory, Music Appreciation and Voice Training. The offerings in music have now increased to such an extent that any student interested in continuing his music study at a University or Conservatory would have the necessary preparation.

Once again General Music was taken by all incoming Freshmen. Freshmen took part in some of the School's musical programs by participating in the Freshman Chorus.

As always, the Music Department invited direct participation in some musical activity such as the Concert Band, the Stage Band, the Choralaires or the Concert Choir by as many members of the student body as possible. True appreciation and enjoyment of music has always been attained easiest by being an active performer rather than a passive listener.

ART DEPARTMENT

The provisions of the Art Department were arranged so that all students of mixed abilities and talents could apply themselves to a variety of creative experiences. These were realized through a wide range of art media. Such material and methods as block printing, sculpture, oil painting, drawing, ceramics, and many others provide the student with the opportunity to develop a personal interest in art.

In addition to the general art program, students desiring to go on in their art studies either at a university or professional art school, found that the art program provided them with necessary preparation.

Students desiring to further their background knowledge of the arts and humanities learned to appreciate great art and to recognize the work and style of outstanding painters.

Library and Reading

READING DEPARTMENT

The Reading Department at Norwood High School had a diversified program this year. The purpose of the reading class was to develop every student's reading ability to his maximum, as well as to review and refine his reading skills.

Within this comprehensive program courses were offered to upperclassmen on an elective basis. A required course entitled "Study Skills" was designed to equip the incoming Freshmen students with techniques for rewarding study. In addition, small classes and some individual instruction were given for remediation.

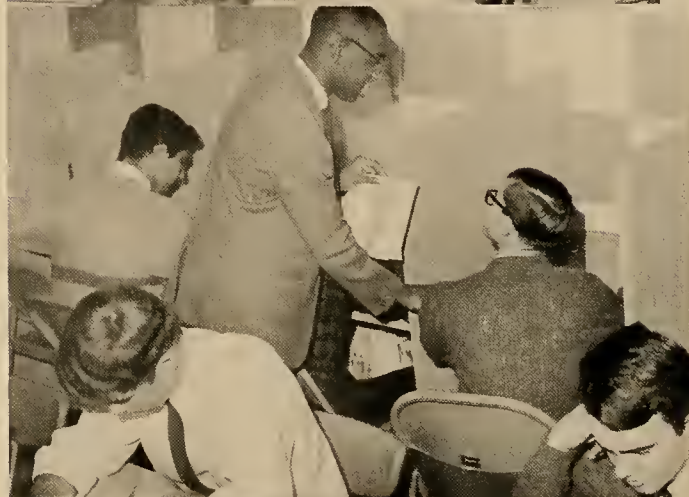

As a basic tool for learning in today's competitive world, reading is becoming an even greater necessity for academic excellence and intellectual growth.

SCHOOL LIBRARY

The school library continued to grow in number of volumes and readers. This year the textbook storage area was at last removed with a consequent increase in space for people and books. The pressures on the library created by the demands of the new curricula for more extensive research and wider reading will soon necessitate a reconsideration of the library facilities.

The annual course of instruction in the use of the library was given to the freshmen English classes. Mrs. Carl Pearson of the Morrill Memorial Library cooperated in the program with the high school librarian. Audio visual aids were incorporated into the program this year and helped to increase the effectiveness of the lessons.

The members of the Library Service Club gave invaluable assistance in many areas. These young people were responsible for the physical preparation of new books and the repair of worn volumes. They also staffed the circulation desk and checked attendance. These are essential and time-consuming tasks in any library; if it were not for the Service Club, an increased library staff would be necessary.

Physical Education Department

Our program in physical education is an integral part of the high school education and it has been expanding rapidly in recent years. Participation by all students in some aspects of this program, curricular and extra-curricular, is our aim. We also aim to develop correct attitudes towards play and set up proper standards of sportsmanship.

Physical education classes are held two periods a week for Seniors and Juniors and three periods a week for Sophomores and Freshmen.

Intramural sports offered for girls are field hockey, basketball, softball, archery, tennis and gymnastics. The boys intramural program consists of soccer, touch football, tennis, basketball, gymnastics, weight training, and wrestling.

The interscholastic program, also a very important part of our physical education setup, is conducted for girls in field hockey, basketball, tennis, softball, and gymnastics; and for the boys, in football, hockey, basketball, baseball, indoor and outdoor track, cross country, golf, tennis, and wrestling.

Each year the opportunities offered to the student body are expanded and refined and we feel that the school is well represented in most fields of physical activity, with a bright future ahead.

Industrial Arts Department

Industrial Arts Course was designed to help prepare individuals for meeting the requirements of a technological culture. The application of an idea from its inception in the mind of the learner included planning, designing, laying out, cutting, shaping, fabrication, and finishing.

Mechanical Drawing provided a basic knowledge of the techniques and skills necessary to produce satisfactory plans which were used in the various shop courses. The development of pencil and instrument skills in technical sketching, machine design, pictorial representation, architectural drawing, furniture design, sheet metal layout, electrical-electronic planning, and tool design was stressed.

Graphic Arts trained the students in the skills of designing and producing suitable forms which were printed on the offset press.

In Electronics, basic circuits and simple electronic devices were designed and constructed. The proper use of testing equipment was stressed.

Metalwork gave the pupil an opportunity to set up and operate some of the machines found in modern machine shops and sheet metal plants. Metal-spinning, art metal, metal forming, and arc welding were included in this course. Also, in this shop course, Automotive Mechanics was introduced to the more advanced students.

Each of us must resolve to extend the range of his responsibilities in some perceptible degree, to rise a little more adequately to moral obligation.

Peabody Press Club

The Press Club of the Henry O. Peabody School consists of a group of interested students chosen to gather and report the news of their respective departments. Each reporter writes up the activities of his or her department for the press copy which is published periodically throughout the school year. There are also reporters-at-large who report general school news.

After the copy has been edited and typed, it is released for publishing in the *Norwood Messenger* and other area newspapers. The column, well-known as "Peabody Personalities," keeps the alumni and

the public informed about the activities, the students, and the staff of the school.

This year the Press Club has been under the direction of Mrs. Zaila Souther, with Miss Rose Morrison and Miss Marjorie McCready in charge of the typing.

Reporters for 1965-66: Laverne Haasis, Roberta Campbell, and Terry Manley, representing the Postgraduate Beauty Culture; Theresa McCabe and Loretta Santoro, Business; Carolyn Sopp and Barbara Tower, Fashion; Caryl Sarofeen and Marcella Boyden, Senior Beauty Culture; Deborah Halliday and Donna Smith, reporters-at-large. Peabody Co-operative Association

Every student of the Henry O. Peabody School automatically becomes a member of the Student Co-Operative Association at the time of his registration with the school. The Association is an organization by means of which the students govern themselves with the co-operation of the Director and Faculty of the School. The Student Co-Operative Association, through its elected officers, homeroom delegates, and alternates, endeavors at all times to foster a spirit of acceptance of responsibilities as well as privileges, so that a fine spirit of friendship and of mutual pride will exist throughout the school as a whole.

The elected officers for the year 1965-66: President, Barbara Shagoury, Norwood; Vice-President, Jeannette Bryant, Canton; Secretary, Jean Purdon, Walpole; Treasurer, Beverly Moran, Randolph. The faculty sponsors have been Mrs. James H. Butler, Jr., and Miss Rose H. Morrison.

The school activities which are sponsored by the Student Co-Operative Association are pre-election rallies, elections of officers and homeroom representatives, a "Get-Acquainted" Tea in the fall, "Operation Santa Claus", a spring dance, and our annual Class Day which we call our "Step Party" which takes place outdoors in June.

“Almost There”

Class of 1967 - Junior Year

Along with autumn leaves and brisk winds, September brought the Class of 1967 back to the “Hill”. While thoughts of Chemistry, Cicero and Algebra II sometimes plagued and baffled us, our outstanding thoughts were: Juniors! Upper classmen!

Class officers were carefully elected, with consideration to all the functions we would be a part of this year. President Tom Cassidy has certainly done a great job making our junior year a memorable one. Paul Boulis, our capable Vice-President was very busy all year, keeping everything rolling smoothly. Paula Babel was re-elected secretary, after taking a one year rest. Carol Boulis tried her hardest to keep us all “broke” while she augmented our treasury. Athletic Association representatives were chosen with regard to participation in athletic events and sportmanship. Lois Lindblom was elected Girls’ A. A. representative

and Tom Donovan, the “un-sung hero of the gridiron” was elected Boys’ A. A. representative.

Our junior boys helped in rating N.H.S. high on every sports poll. Led by three outstanding junior cheerleaders: Janet Sullivan, Kathy Fuller, and Carol Memmo, the cheering sections at all sports events were very enthusiastic.

Next in our eventful year came March winds, April showers, and our anxiously awaited Junior Prom! Through joint work and cooperation, our officers, aided by zealous committeemen, made our prom an unforgettable night in our lives. With “Carousel” as our theme, we had a whirl of a time.

With June came final examinations and a farewell to the Class of 1966. We had almost reached the peak but we had to settle for being “almost there”.

“Making the Grade — Step Two”

Class of 1968 - Sophomore Year

The members of the Class of “68” returned to N.H.S. in the fall of 1965 proud of their newly acquired status as sophomores. It was easier to get right down to work and into the main stream of things with a year of valuable experience behind us. Our self-confidence and “savoir-faire” had increased and the timid attitude of our freshman days had been lost forever.

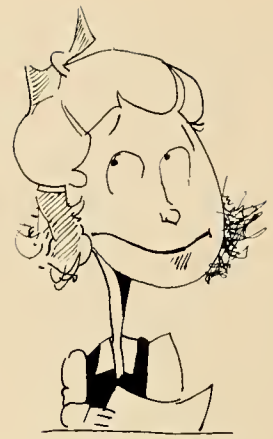

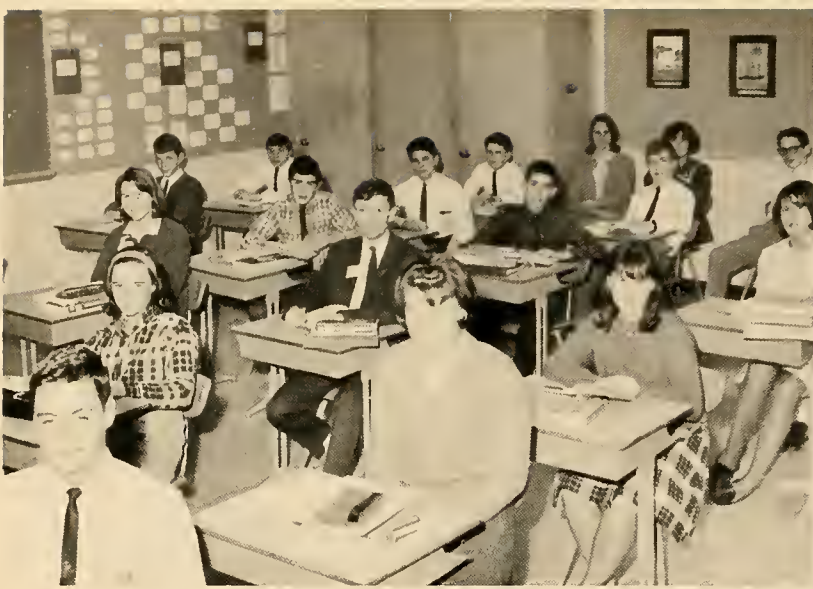

Again came the challenging and exciting privilege of electing class officers. Chosen as best qualified to take on the honorable roles were: John Cronin, President; Richard Machado, Vice-President; Alexis Levitsky, Girls’ Treasurer; James Phalen, Boys’ Treasurer; Dorothy Marzuolo, Secretary; Stephen Donovan, Boys’ A.A.; and Nancy Sweeney, Girls’ A.A.

On November 18, our Sophomore Party was held in the school cafeteria, which had been gaily adorned with colorful decora-

tions. We were all delighted to be entertained by the music of the newly-organized high school Stage Band. In addition, hidden talent was revealed in the “lion act” by Marie Payne. Enjoyed by faculty and students alike was the extra rhythm brought in by the folk combo, consisting of Stephen Donovan, Robert Orme, Lenny Rental, and Richard Machado with his fine guitar work. Of course, the night would not have been complete without Barbara Lanzoni’s singing of her by now traditional, “There’s a Summer Place”.

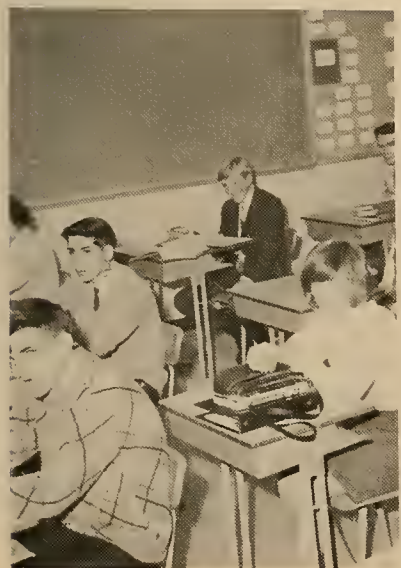

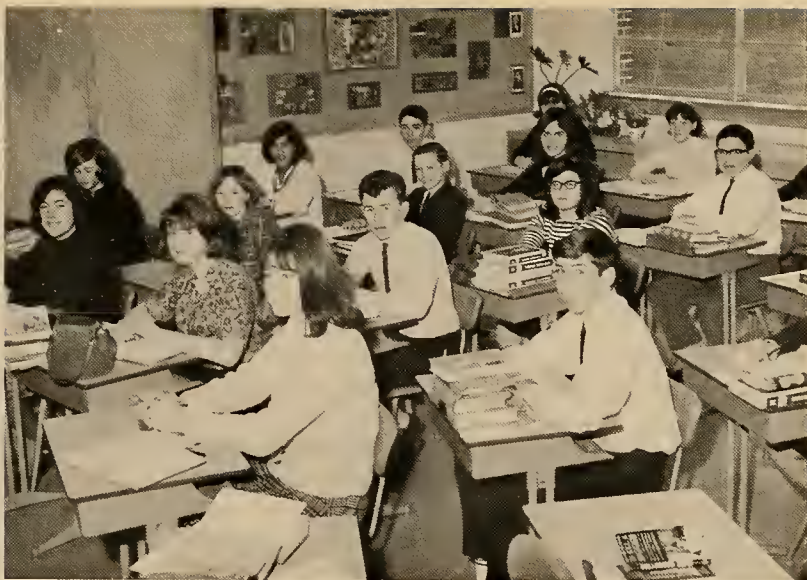

Now that we have been at Norwood High for nearly two years, we know what the “scoop” is and exactly what is expected of us. We have strived to meet and surpass that expectation. Hopefully each year at N.H.S. will find us directing all our energies to surpass the previous one.

Young and Hopeful

Class of 1969 - Freshman Year

There we were in early September, at the bottom of the Hill, all ready to work our way up to the top! This first year was one filled with many new experiences, some frightening, and some exciting.

The major event of the year for us was the election of our class officers, a likely group and one which we hope will go on to be re-elected in the coming year. Chosen were: President Barry Levine, Vice-President Marylee Clark, Secretary Ann Poniatowski, Treasurers Janet Ostrom and John Fitzpatrick, and A.A. Representatives Linda Reynolds and Steve Fischer. They have certainly fulfilled our expectations.

We held our Freshman Party in October. The two bands entertaining us were "The Hix"—Bobby Lindfors, Johnny Fitzpatrick, Dale McConkey, and Bobby Susi and "The Aces"—Bobby Hall, Jimmy Abel, Charlie Carchedi, Bruce Wheat, and Freddy Vecchio. Designated by the audience's applause as the best performers that night, "The Aces" won the prize, a tape recorder.

In sports, our Freshman teams fared exceedingly well. The Junior Varsity team, spurred on by first-stringers Bill Mannion,

Clyde McCray, Tom Gugliotta, Walt Litchfield, Jack Adelmann, Dave Mogan, and Steve Fischer, tied for second place. The basketball team, capably captained by Walt Litchfield, played twelve games and lost only two. Our first string players were Walt Litchfield, Clyde McCray, Steve Fischer, Doug Fischer, and Norm Sacco, who were co-champs in the Frosh division of the Bay State League. Under the expert lead of co-captains John Ranalli and Artie Harris, the hockey team had a record of four wins, two losses, and four ties. The first line was made up of John Ranalli, Jimmy Scott, and Gary Sortevik; on lead-off defense were Tommy Taylor and Jeff Songin. They ranked second in their league.

Outstanding students, those who achieved "Honors with Distinction" this year, were: Richard Bayer, Robert Burns, Virginia Burns, Kelvin Chin, Jeanne Donnelly, Barbara Eisener, Patricia Fanning, Sean Flaherty, James Hynes, Karla Johnson, Barry Levine, Roy Lydon, Richard Shay, Judith Sheelmer, Barbara Tausey, and Donald Twomey. Not a bad record at all, for a group of beginners.

Our Views on Viet Nam

One of the productive projects of the Norwood High School Student Council this year was gathering signatures for a petition in support of our government's policy in Viet Nam and our fighting men in that country. The petition was presented to Speaker of the House John McCormack and Congressman James A. Burke. In a letter to President Johnson Mr. McCormack stated :

"I have had a visit today from a Committee representing the Hyde Park High School of Hyde Park, Massachusetts, and the Norwood High School of Norwood, Massachusetts, in which they presented to me and Congressman James A. Burke the within petitions in support of our Government's policy in Viet Nam and 'our fighting men in that country because they are fighting to protect a country that needs our aid in order to retain her freedom.' This is one of the finest examples of loyalty on the part of high school students that could be extended anywhere throughout our country.

I am sending you the within petitions which the members of this fine committee left with 'Jim' Burke and myself, because I know it will bring happiness to you to note the approximately 2500 students who signed the petitions in these two high schools and who appreciate the meaning and significance of the Viet Nam and Southeast Asian situation, and the petitions show their loyal support of your leadership.

I know, Mr. President, that you will agree with 'Jim' Burke and myself that the action of this Committee and the students who signed the within petitions is an outstanding manifestation of loyalty to their country, and support of your far-seeing and courageous leadership."

Indifference to violence in every day
life, even glorification of that violence
are becoming phenomena of our day.

fragility of human life."*

Student Council Officers and Executive Board

FRONT ROW: Immonen, Kelley, Bevivino, Miller, O'Brien

The Student Council's Year Was Active and Effective

The Student Council, under the leadership of Charles Bevivino, president; George O'Brien, vice-president; Roy Immonen, treasurer; Carol Miller, recording secretary; and Gayle Kelley, corresponding secretary, had a very successful and enjoyable year. The Executive Board consisted of Peter Black, Susan Dobson, Frank Danieli, John Cronin, James Balutis, Thomas Donovan, and Joanne Susi.

A Student Council Convention in Maynard was attended by six of our delegates who brought back many ideas in the fields of allocations for funds, social activities, election commissions, student-faculty relations, and communication between the student council representatives and students.

The Student Council Dance was held on November 19th with The Stage Band of Norwood High School playing for the event. The money from this dance was given to the Foreign Exchange Fund.

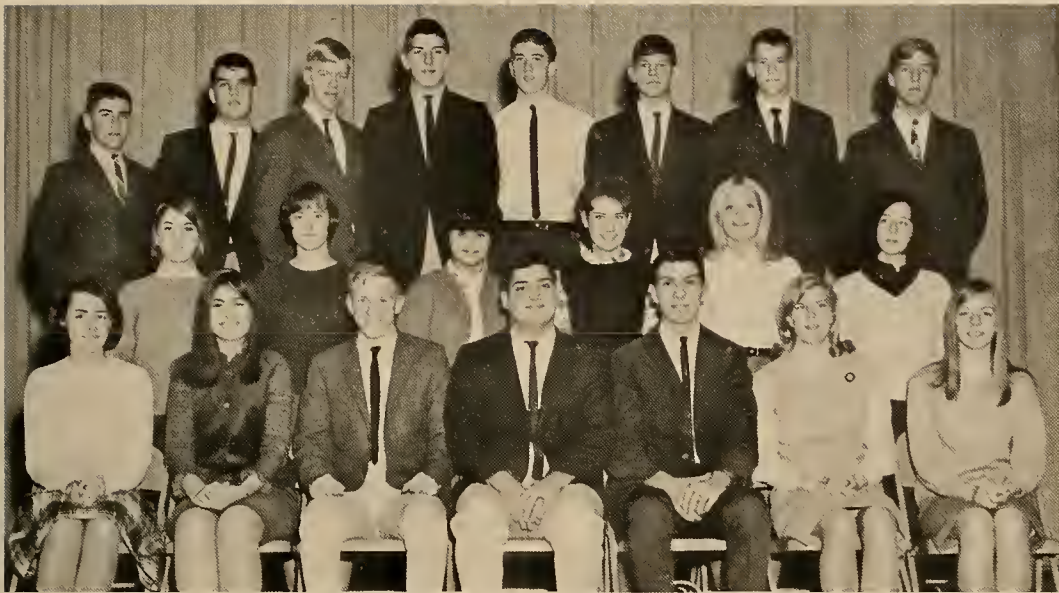

On January 27, 1966, 44 American Field Service students arrived in Norwood and

the next day they attended one of the bi-monthly meetings of the Student Council, and after visiting classes, these guests participated in a reception sponsored by our Council.

The Student Council sponsored the annual Faculty-Student Game again this year. This has always been a highlight of the year, and this year was no exception. The proceeds were given to the Foreign Exchange Fund.

Another project was the school sponsorship of an entrant in the Jewish National War Veterans' Leadership Contest. Andrea Bremer represented Norwood High School in the contest. President Bevivino later represented the school at the Student Government Day at the State House on April 1st, 1966.

The Council extends heartiest thanks to Miss Hubbard and Mr. Buscone for their active support and ardent interest in the Student Council undertakings.

The Election Commission Performed Tirelessly

One group of students at Norwood High School which might well be classed as the "In-group", consisted of carefully selected citizens who were members of the Election Commission.

The Election Commission was composed of the students who were elected from the Sophomore, Junior, and Senior members of the Student Council. It operated under the capable guidance of Miss Hubbard, the faculty adviser. Officers of the Student Council worked with the commission when the pressure of time or the number of elections in progress made it necessary.

The function of the group was to supervise all school elections and to assume responsibility for efficient and honest pro-

cedures. It set dates, received nominations, supervised the balloting and counting of all votes which were cast, and published the results of all elections on the bulletin boards.

The Co-Chairmen of this year's Commission were Robert Donahue, and Frank Danieli, both members of the graduating class.

The Election Commission has always been a very important part of school life and its members have earned and deserved faculty and student approval for their efforts which entailed considerable work that had to be done outside of school hours, and which was frequently lengthy and tiresome but eventually rewarding.

Yea and Nay

The Norwood High School debating team was led by Joan Vasiluskas who was the most experienced debater on the squad and easily one of the finest in the Bay State League. Her team-mate on Norwood's Varsity affirmative team was David Gillette, who engaged in debate for the first time this year, but at varsity level competence.

The Negative team was anchored by John McAuliffe, a second year debater with a flair for incisive cross-examination. Two other squad members alternated at the second Negative spot. They were Susan Murray and Christian Maciejewski. Susan debated last year and was our varsity member at Wellesley against Framingham North. Chris was a beginner who learned well and quickly — a natural.

Edward Cafferty and Ann Parsons were upper classmen who debated for the first time this year. They formed, along with two freshmen, Nancy Adams and Doreen Maloney, the Novice team. The results of Novice and Varsity debates are considered in league standings.

The Bay State League was formed early this year and Norwood High School joined the league, resigning its standing in the South-Shore League. There were approximately seven league debates per year plus inter-league contests, regional, and state tournaments. There were also public speaking contests held throughout the year for which the student with debating experience had an obvious advantage.

Senior High School Math Brains

The Norwood Senior High School Math Team of 1965-66 participated in competitive meets with nine regional schools. In total, there were fifty high schools in Massachusetts which vied for the championship.

Each team consisted of one Sophomore, two Juniors, and two Seniors. At these meets mathematically-minded pupils found themselves involved in a rigorous battle of wits and ability, yet a friendly atmosphere prevailed. The invigorating contacts made with students from other schools, who shared interests made each member of the team realize that although winning is a triumph, it is not all that counts. Each teammate also gained insight into the teaching methods and procedures of other

schools. The various teams' home schools alternated in sponsoring each match. We were very proud to be hosts at one of these meets this year.

There were five different categories of mathematics: arithmetic, algebra 1, geometry, algebra 2, and trigonometry from which each student chose three in which to work. The contests measured the understanding of basic mathematical concepts, the ability to reason, and the adaptability of an individual to work rapidly and accurately while under pressure. All in all, by the end of the year, each contestant had learned that fair play and good sportsmanship are just as essential in the field of numbers as on any field of sports.

Our Own Right Honorables

The Norwood Senior High School Chapter of The National Honor Society was established in 1960 and has had a total of 50 members. As its name implies, it is a branch of the national organization established by secondary school principals to stimulate scholarship in the high schools of America. It recognizes character, service, leadership, and scholarship. All four qualities must be displayed by a member. However, in our school the eligibility is first determined by honor roll status. A student must be named to the honor roll five times in succession, including three first honors for juniors and two first honors for seniors. Members are elected from both junior and senior classes at the end of the second marking period. To maintain mem-

bership, one must continue honor roll status.

Pins, which are the same all over the United States, have been presented each year by the Norwood Chamber of Commerce and may be won only by members in good standing. At graduation special notice is given to these people on the programs, and they wear gold tassels on their caps. Each spring an induction ceremony is held at an assembly to which juniors and seniors are invited.

The following seniors were elected to membership during their junior years: Nancy Aicardi, Pamela Bowen, Nancy Costello, Carol Miller, Margaret Mitchell, Ellen Morgen, Barbara Staller, Joan Vasilauskas, Loftin Elvey, Stephen Hemman, Roy Immonen, and George Rakauskas.

Biological Pioneers

This year Norwood High School added to its many extra-curricular activities a new club for scientifically-minded students which has proved to be both interesting and informative.

The first big step was the election of officers, and the members chose the following students as their leaders: President, Marc Orent; Vice-President, Richard Shay; Secretary, Maureen Tamulonis; and Treasurer, Peter Gray. Mr. Frost was the faculty sponsor. As the first few meetings were mainly for organization, the main part of the work was accomplished during the second semester.

Several meetings were spent in getting acquainted both with each other and also with the Biology offices and the Growing Room which played big parts in our meet-

ings. Also the presence of many domesticated and undomesticated animals was soon made known to us all, and we learned much from observing their actions and reactions and from the necessity of caring for their needs and policing their quarters.

We were privileged to have guest-speakers from different hospitals and schools who lectured on various phases of Biology. From within our own Club many students showed their skills and accomplishments in various fields by the presentation of projects.

One of the biggest events of the year was the field trip which was for most of us a new and different experience. Next year we hope to add other activities to our club projects and to do more original experimentation and study in this field.

Le Cercle Français

"La séance est ouverte." To members of of the French Club, known as **Le Cercle Français**, this was the familiar expression which opened each meeting of the club. Gym B, the new headquarters, accommodated the sixty club members adequately, if not well. Because most students had after-school commitments, meetings were held during activities period, usually every second and fourth Friday of the month.

The club officers were: Marilyn Johnson, president; vice-president, Stephanie Puzin; treasurer, Anne Butler; and secretary, Nancy Sulkaka. Other officers were Linda Maggio, Ellen Breen, and Carol Ann Walker. The club also maintained several committees: the Publicity Committee, the Advisory Committee, the Information Committee, and the Refreshment Committee. All of these groups worked for the benefit of the club.

During each session, after the meeting

was opened, the American flag was saluted in the French language and then the various reports of the club's officers and committees were read. Discussions and plans followed, and the meetings closed with the singing of **La Marseillaise**.

The purpose of **Le Cercle Français** was to afford a pleasant non-classroom atmosphere to facilitate conversational knowledge of the French language. It also informed the members of attractive aspects of French culture and civilization.

Le Cercle Français provided occasional social functions. One of the highlights was the viewing of films of Miss Hanna's trip to France.

Other events enjoyed were a visit to the French Center in Boston, a dinner at a French restaurant, and a French play. **Le Cercle Français** bids fair to become one of the most successful and progressive clubs at Norwood High School. C'est ça.

El Club Español

This year at Norwood Senior High School there was a revision of the Spanish Club by popular demand. The first meeting set the pace for the future events. The turnout was large, with participating students from each class. Interest grew after the first meeting, and the membership soon increased. The club now consists of 45 members. After the initial start the club got down to serious business and planned for the coming year. A parliamentary procedure was introduced as a basis for the election of officers. James Robertson was chosen President; Leonard Curran became Vice President; Martha O'Leary was elected as the Recording Secretary; and John Wilson was made Treasurer.

Enthusiastically, the new Spanish Club welcomed Betty Grullon, Norwood's foreign Exchange Student from the Dominican Republic as our Authentic Spanish Club

Member. She gave many exciting and interesting ideas to help formulate the club.

An interesting and educational "acto" about the life and customs of the people of the Dominican Republic was presented to the club by certain students, with Betty adding her personal anecdotes and experiences.

The club planned many special events to be carried on throughout the year. A special delegation went to the Cardinal Cushing Center for Spanish-Speaking people in Boston to deliver toys and presents during the Yuletide season. It was a gratifying and rewarding experience.

This year's club hopes that it has established a firm foundation in order that the El Club Español may "continuar y prosperar en los años que vienen."

The New Hilltopper Was Organized

After many years of being first and foremost a "news" paper, the "Hilltopper" was organized this year with a slightly different purpose in mind: The aim which the staff set was that of publishing a paper more worthy of Norwood Senior High School, with in-depth reporting on news, sports, and features. Sports on the Hill sometimes proceeded faster than the publication, in which case a clear picture of the season in summary articles was presented. The Hilltopper Literary Department was expanded into a "Writers' Workshop" so that students might feel free to contribute articles and receive recognition for their talents. In this endeavor the co-

operation of the English teachers, who were ever on the alert for outstanding work done in their classes was greatly appreciated.

All artistic work of a two-dimensional nature—sketches, drawings, photographs—was eagerly sought. Because it was felt that this publication should be a place for students to express their views on school, local, and national matters, a "Viewpoint" column was included. Also in this area were letters to the editor of which more were received than could be published.

Under the direction of Miss Werner and Editor-in-Chief, Andrea Bremer, the staff tried to have quality rather than quantity

as the chief requirement for Hilltopper work, even though this meant fewer issues.

In an effort to make the Hilltopper available to more students by bringing the price down, a new method of publication was tried. This off-set duplication process was carried out entirely by the printing department at Norwood High, and it met with some degree of success.

Many problems were encountered aside from the inevitable late articles. Because of the large population at Norwood High, there was no permanent room that could be set up as a newspaper office. This resulted in difficulties concerning where meetings were to be held and where files were to be kept. The Hilltopper was also

plagued by an acute shortage of skilled typists. More than once in the hours after school the patter of typewriters could be heard as staff members of all departments worked with devotion to produce the pages of even three inch columns.

Before each issue came out there was a week of anticipation while the paper was printed. The circulation committee worked its hardest, putting signs and announcements at every intersection and around each corner. A few days of sales, and then work began again on the next issue.

Despite difficulties and crises, though, it was fun, and most of the staff will be back again next year, hopefully, with newer and better ideas for a more stimulating Hilltopper with broader courage.

Foreign Exchange Enthusiasts

The newly-organized Foreign Exchange Club is comprised of over sixty members whose first meeting was held in October when four officers were elected. They are as follows: Peter Black, president; George O'Brien, vice-president; Gayle Kelley, secretary; and Noralie Cox, treasurer. The faculty adviser is Mr. Usevich. The club's main purposes are to effect a closer relationship with the Town Chapter of American Field Service, to make the foreign exchange students' visits enjoyable and profitable for all concerned and to raise funds for the Town Chapter of the A.F.S. In November the Student Council, with the help of the Foreign Exchange Club ran a very successful dance.

This year from Santo Domingo, Dominican Republic, seventeen year old Betty

Grullon was a member of the Senior Class. When asked in an interview what she liked most in the United States, her reply was, "The American 'kids', they're all so helpful and friendly towards me."

Betty's humor and sincere warmth added to the enjoyment of everyone at the high school. She has been named as an honorary member of the Foreign Exchange Club, and she has spoken to various church groups and town organizations and has been a wonderful representative for her country's young people.

The embryo Foreign Exchange Club has had a very successful year, and its members hope that this is only the beginning of a rewarding and fruitful life for the organization and its enthusiastic members.

All Their World A Stage

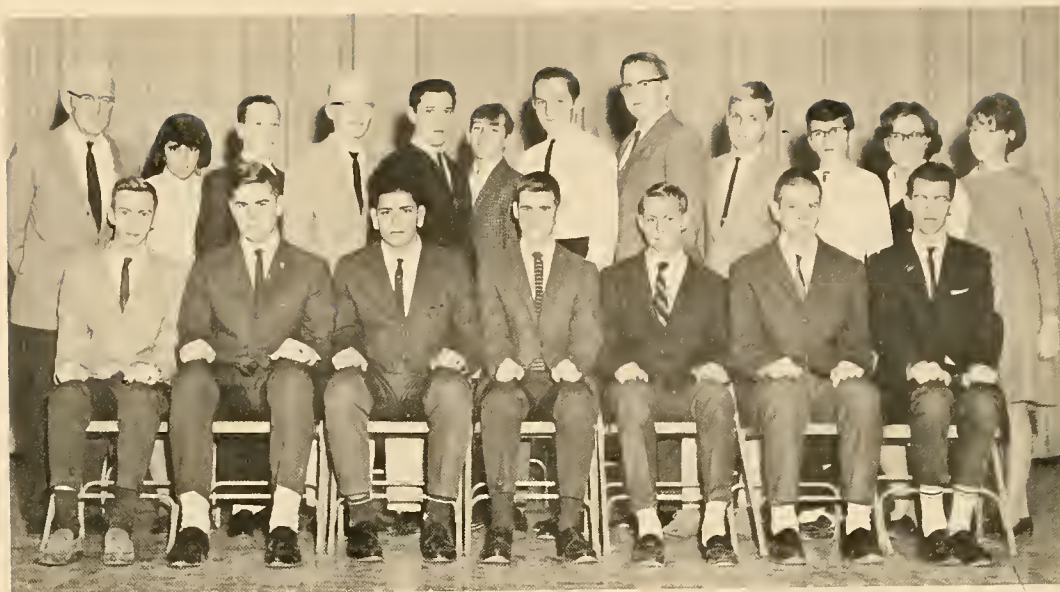

During the course of the school year the students of Norwood High School gave several plays and assemblies which required the assistance of students trained in the arts of make-up, set design, and stage lighting. The Drama Club was formed on the Hill this year in order to provide training and experience in the various phases of dramatic art for the students.

The Drama Club held regular workshop sessions in which the fundamentals of Modern Drama were taught. Students were encouraged to use their creative talents in the production of one act plays and skits. The members of the club explored any of the fields of drama that interested them. Some enjoyed the expressive freedom of acting; others preferred to learn the skills involved in make-up and set construction. One of the most important addi-

tions to the program of the Drama Club this year was the almost exclusive use of student directors and stage managers.

This year the Drama Club was able to provide a committee to arrange the make-up for the Senior play. All fifty of the Club members took an active part in the state-wide competitions held in the spring.

In the last five years the United States has seen a sort of "cultural revolution." More people are turning for pleasure to the fine arts. Drama has become more popular than ever. To citizens in this society a meaningful background in drama is essential. The Norwood High Drama Club provides students with a deep understanding and an intelligent appreciation of the most ancient manner of story-telling—drama.

"Hold it please," was the password among interested members of the Photography Club as they learned the techniques and skills of a professional photographer. This year the club skyrocketed to a record high in membership. Under the able leadership of Mr. John A. Sullivan, students explored the many phases of photography, both as an art and as a science.

The major part of the program this year was a monthly contest. Each month members had an opportunity to compete with fellow club members. Competition was held on different subjects each month. Photographs were judged by members of the faculty for composition, technique, and subject matter. A cash prize was awarded to the student with the most points at the end of the year.

Winners of the monthly contest receive for first place 5.25 points, second place 4.25 points, third place 3.25 points, fourth place 2.25 points, fifth place 1.25 points, and for entering a picture one receives .25 points. Our calendar of monthly subjects was as follows: October, Human Interest; November, Portraits; December, Portraits Mounted; January, Candid; February, Snow Pictures; March, Trick Pictures; April, Animals; May, 35 mm color slides. During November we had the use of professional equipment owned by Purdy Photographers of Boston, Photographers for the Year Book and the Senior Class.

Our officers this year were Paul Kady, President; and Robert Ekstrand, Treasurer. As a result of this year's work in photography, all members feel that this is a great and rewarding hobby.

Future Rulers of the Home Scene

The Future Homemakers of America Club was initiated this year at Norwood High School. Our Chapter is affiliated with both the state and national associations and together we all work toward the same goals.

Our biggest project during the first year was that of establishing a well-organized club. This involved writing our own constitution of laws, electing officers who would be aware of their duties and responsibilities, and studying the ways in which other effective FHA groups work.

At one of our very first meetings we were fortunate to have several colored slides which were taken by the FHA chapter at Hadley, Massachusetts. This is one of the most active groups in the state and so it was very helpful for us to observe their various programs on chapter, state, and national levels and to profit thereby.

There were several topics which had been chosen and outlined for national projects of work for all FHA members over a five year period. "Morals and Manners" was the one which was emphasized for the first year and so we focused our activities around that unit. Some chapters have found panel discussions an effective way of handling such debates; others have invited guests to speak to them on a particular phase of "Morals and Manners" and have then had a question and answer session.

We tried during this first year to establish an active group which would stimulate all its members toward a greater interest in home and family life and which ultimately would make them efficient and understanding homemakers some day.

They Made the Welkin Ring

Every morning before the beginning of school the sound of music drifts from room 147 down the halls of Norwood High. The melody is carried by the thirty-three feminine voices of the members of the Norwood High School Concert Choir.

During its three years of existence the Concert Choir has provided the student body with an opportunity to hear and appreciate the beauty of fine choral music. Under the direction of Mrs. Roberta Frank the group performs difficult classical choral arrangements composed by Handel, Mozart, as well as many more contemporary com-

posers. The Choir's repertoire also includes a number of folk songs and spirituals.

The Concert Choir had a heavy schedule this year which included two choral concerts, one in December, one in April, and several special appearances for hospitals and civic organizations.

Concert Choir can now be taken three times a week during the school day for academic credit. Interested girls are selected by audition at the beginning of the school year. Future plans include the broadening of the Choir's repertoire with a special emphasis on Acappella singing.

The Stage Band Played Up a Storm

A very important addition to the music department curriculum was made in the fall of 1965. Under the direction of Mr. Paul Alberta, the Stage Band was established. The purpose of the Stage Band was to broaden the scope of the student's musical development into the world of modern music. The band set out to emulate the sounds of Benny Goodman, Duke Ellington, Count Basie, etc. Auditions were held and the most talented and advanced students were selected (18 musicians.) After six weeks of rehearsal, the stage band played their premiere performance at the Norwood Junior High School. Some of the selections included, *The Peanut Vendor*, *Wonderland by Night*, *Tonight*, *Law-*

rence of Arabia, and a few numbers of the Beatles' latest hits. The band was enthusiastically received by the faculty and students alike. The next performance was held at the Norwood Senior High School. This assembly was a success as it was fullheartedly accepted by the student body. Other performances included an appearance in the Southeastern District Music Festival and the Spring Concert.

It should be noted that a special highlight of 1966 was the Stage Band's appearance at the James Caldwell High School in West Caldwell, New Jersey. This performance was in conjunction with the Senior High School Band's annual exchange concert program.

Introduction to the Greats

English 400 is a seminar entitled "Utopian Societies in Literature." Two sections of carefully-selected college preparatory seniors meet one afternoon a week to discuss the various course texts, which include Plato's *The Republic*, More's *Utopia*, Belamy's *Looking Backward*, Huxley's *Brave New World*, Orwell's *1984*, and several others. The purpose of the course is to give to twenty seniors some experience in the seminar method of dealing with complex ideas. There is no formal presentation as such, because the purpose of the course is not to have the instructor teach the students about the books, but rather to have them teach one another by exchanging their own ideas, with guidance.

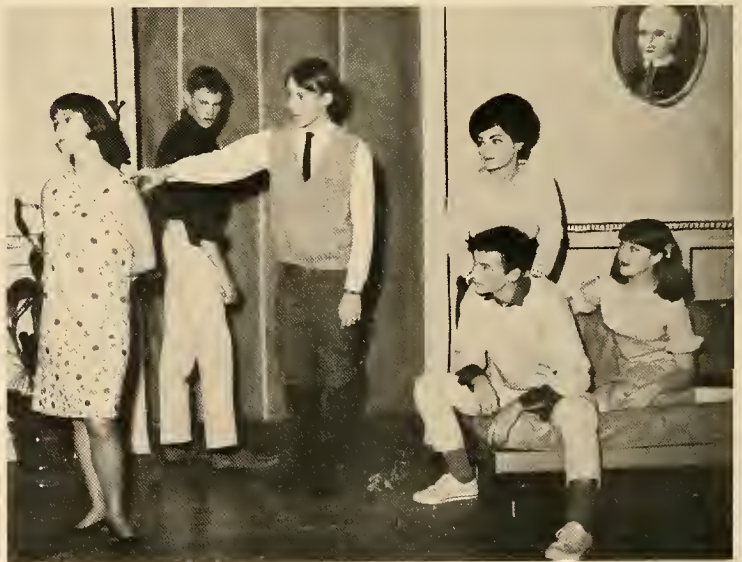

In recent years this particular offering has become increasingly popular, to the extent that it has been necessary to increase the number of sections taught from one

to two. As an ever greater percentage of Norwood Senior High School students goes on to college, we hope that this course, which offers two hours' credit, will continue to prepare at least a few of our seniors each year for some of the very different types of experiences that they will encounter as they continue their education.

Perhaps the most important value gained by those who take this seminar is not so much the knowledge of the ideas expressed in these books and their relevance to our contemporary society, important though these values are, but an increased respect for both the ideas of others and the process of free, open, and frank discussion by which these ideas can best be understood.

Of our intent, if not always of our results, we feel sure that Socrates and Plato would have approved.

Ties – All the Way to the Top

The 1965 Norwood High football team started its season with an upset tie against a strong Milton squad. An impressive 16-0 victory over another favored Framingham North team followed.

This set the tempo for the season as the Norwood offense showed flashes of brilliance under the leadership of Chris Effertz, Kevin Raftery, Tom Shea, Mike Griffin, and Joe Smith; and the great defensive unit led by All-Scholastic Captain John Solomon rocked the invaders into fumbling five times.

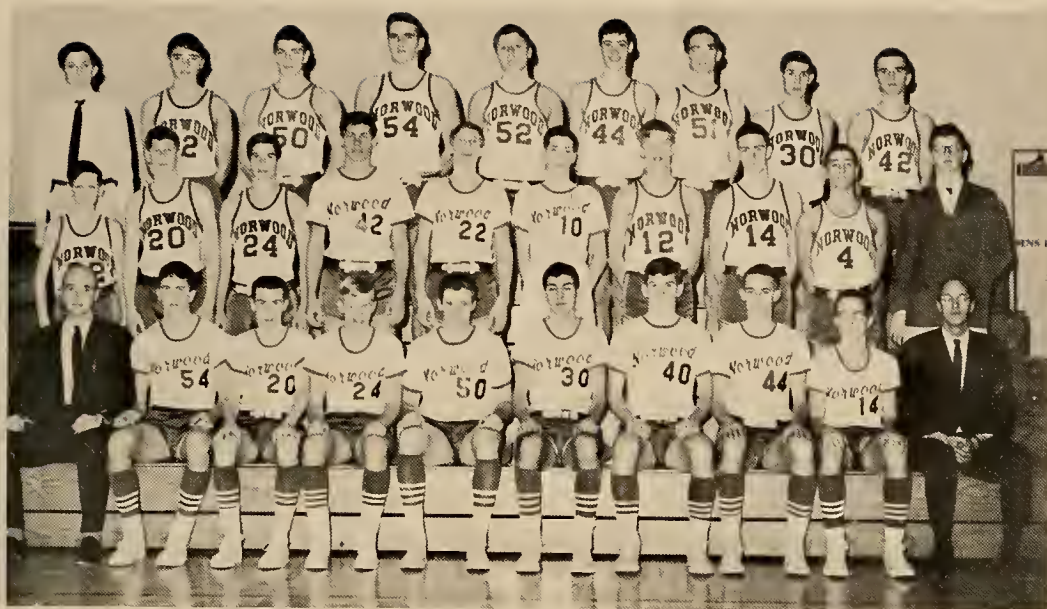

Also setting a pattern was the tie-one, win-one performance. Norwood followed in this direction for its first six games. It tied a heavily favored Wellesley team 0-0, with Norwood's great defense again hold-

ing a highly vaunted offense to only 39 net yards and forcing Wellesley to fumble six times.

Braintree was the next victim of the new Norwood powerhouse, 12-0. Fifth in line was Framingham South, winners of four straight and touted as the probable Bay State League Champions. Norwood brought the Flyers back to earth, however, by overcoming a 12 point half-time deficit to tie again, 12-12.

In probably the best game of the year, Norwood met Natick High School, the longest undefeated—untied school in the state. The Gulla-men were well-coached and eager for the game, and defeated Natick 9-6.

A Bushel of Baskets

Under the leadership of Coach Ken Nolet the Norwood Senior High Basketball team earned its first Tech Tourney berth in ten years this past season.

The Blue-and-White started off the year with a four-game winning streak which was broken by a 57-48 upset victory for Braintree. Paced by Captain Mike Griffin and the league's high scorer, Chris Effertz, the team moved back into the win column with victories over Walpole (74-52), Milton (67-64), Wellesley (67-51), and Dedham (67-48).

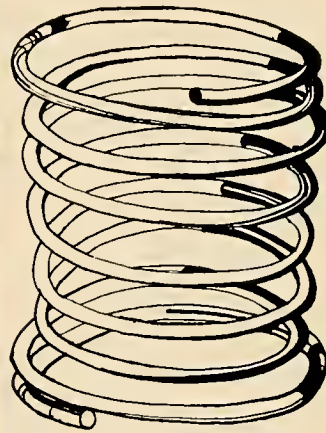

Dick Shumski in one of his best games on the boards, pulled the team back for a tie for the top spot with a 52-49 victory over Braintree. Norwood had a hard time staying up with Braintree though, as they lost a heartbreaker to Framingham North 67-62.

The team managed to clinch a spot in the Tech Tourney with an easy romp over Milton 66-57. Coach Nolet ended his season in second place with a record of 14 wins and only 4 losses.

In a game which few Norwoodites saw, Misson High rallied in the last four minutes of play to down Norwood 63-57 in the first round of the Tourney at Boston Gardens.

Wearing the Blue and White for the last time this year are: Chris Effertz, with a better than 25 point coverage, Captain Mike Griffin, Dick Shumski, Steve Hemman, Roy Immonen and Charlie Bevivino.

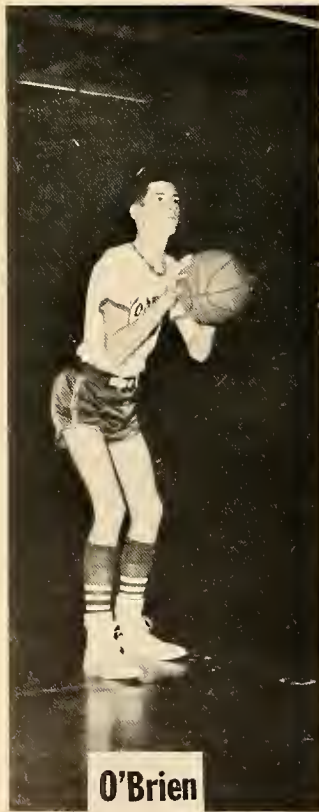

Coach Kenneth Nolet did a great job as coach with boys he had been bringing along in his few years on the Hill and he will continue to do so with players like Bob Nelson and Paul Snellgrove and a strong JV team coming up next year.

Bay State Champs

After a slow start, this year's hockey team went undefeated for the remaining fourteen games to take the coveted Bay State League Championship. Coach Don Wheeler captured his second title in his fourth year as the most successful coach on the Hill. The Nuggets' overall record of 16-3-2 speaks for itself.

The highlights of the season were: the big goal by All-Star Richie Hebner against Walpole in the 1-0 victory; the come-from-behind 4-2 win over Auburn in the state tournament; Neil Higgins' many shutouts; the 8-0 and 6-0 wins over Natick and Lynnfield; and the 5-1 romp over Dedham to clinch the title.

The first line consisted of Captain Bob Donahue, Richie Hebner, and Bill Hasenfus. Donahue, a capable leader, came up

with the big goals when they were needed and never stopped hustling. Hebner worked hard and earned his rating as the best forward in the state. Hasenfus was a digger whose spirited hustle made him one of the best forecheckers and backcheckers in the league.

The second line of Richie Graham, Tommy Shea, and Pete Oberlander came into their own toward the end of the season. Graham is a tricky stickhandler and playmaker. Shea is one of the fastest skaters on the team. Oberlander has a good shot and is strong on the boards. These three will do well as the first line next year. Substitute linemen worthy of praise are Senior Mario Ranalli, Junior Ken Reddick, and Sophomore Harry Pascoe.

No Luck – Just Skill

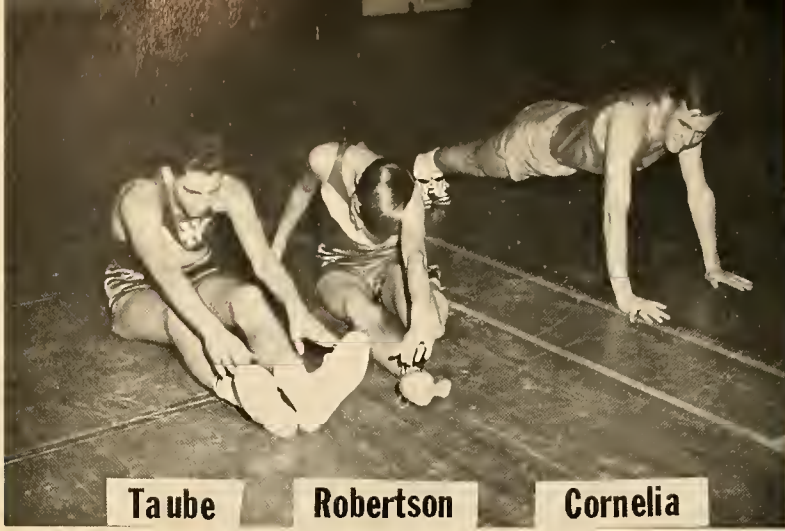

A sorely depleted Norwood High School track team greeted Coach Fred Richardson last fall as defending Bay State League Champions. The cross country team led by captain Jack Flaherty started the season against the top two teams in the league, Braintree and Natick. They never did get over the shock and compiled a mediocre 3-6 record. Varsity runners were Seniors Jack Flaherty and Bernie Cornelia; Juniors Paul Snellgrove, Wes Loper, Keith Erikson, Ken Erikson; and Sophomore Randy Rintala. With all the undergrad strength this year's rebuilding season should pay off well.

The indoor track team under coaches Richardson and Maloney started its fourth year on the right foot by defeating perennial powerhouse Cambridge Latin 46-40. Captains Mike Sullivan and Bernie Cornelia then led the team to two more victories, defeating Malden Catholic 45-41, and humiliating Revere 73-12.

Next a flu-racked Norwood faced its chief rival, Milton, each team having identical 9-0 records. Norwood, plagued by bad luck, bowed to an obviously weaker team, 42-42, in a meet that could easily have been a rout.

Norwood rebounded from the loss determined to have its third 6-1 season in a row, and Needham was the fourth Norwood victim, losing 50-36, while most of Norwood's attention was on the sixth place Cambridge Latin team that was edged by Milton 44-42.

Norwood's last meet was against Framingham South and the tracksters got their 6-1 record for second place by winning 52-34. This kept up the winning tradition of the Class of '66 but the team felt it should have taken the league title. Norwood was clearly superior to Milton whom they outscored 362-340 against the same opponents — they just didn't have any luck.

All Over the Mat

The 1966 Norwood wrestling team coached by Mr. John Bamberry and captained by junior John Noble, grappled through its second varsity season, gaining much experience and poise. Norwood faced opponents with many more years of practical knowledge including Needham, Milton, Braintree, Wellesley, Scituate, Weymouth, Brookline, and Natick. This was rough on the boys, but they did their best in every meet. Against the only team comparable to Norwood's inexperience, Walpole, we lost only 24-23.

Although having an unimpressive 0-11 record, the team had some top individual stars and many showing great potential. The top point-getter on the team was sophomore Rich Machado who compiled an 8-2 record. Rich came in third in the

Bay State League Conference meet in his weight class to qualify for the state meet. Also outstanding towards the end of the season was junior Ken Sheehan who placed second in his class to qualify for the State Individual Meet. Senior John McTernan was the third Norwood grappler to qualify for the big meet through his efforts in the Bay State League.

Among the other top "mat-men" were seniors Frank Danieli, John Turchan, Pete Barry, and Bill Gendrolius; juniors John Noble, and Rocco LaRusso; sophomores Kevin Orme and Charlie Shaw; and freshmen Chris Collins and Charlie Mosely.

With most of the team returning next year Coach Bamberry may look forward to a strong squad and a good season.

A Power-Packed Parcel of Players

The Norwood High School baseball team started off its 1966 season in fine fashion, with an impressive 10-2 victory over Framingham South. Captain-catcher Tom Costello belted two homers, including a grand slam, and Co-Captain Bill Hasenfus left the mound with a 4-hitter on the record. Mr. David Hartnett made his debut as baseball coach this season, and it looks as though he's got an action team on his hands.

On the mound this year for Norwood are Bill Hasenfus and Mike Seery to sail the balls across the plate. The infield is packed with power and speed with John Solomon, Tom Donovan, Richie Hebner, and Carl McCarthy. Rounding out the team are Mike Bradley, Dick Malacaria, and Dante Ferrara in the outfield.

The second game was against Wellesley, with Mike Serry hurling the ball. Mike pitched a fine game but the team's defense fell apart, and Wellesley came out on top due to errors. Coach Hartnett tried three Juniors on the mound in the following game against Needham. The pitching was again impressive but the defense pulled off 13 errors to give Needham the win 21-7. Framingham North then defeated the Norwood nine 10-6.

Coach Hartnett has some great players in the infield and we saw many impossible plays taken care of easily, but the team had some bad days. Their position will undoubtedly improve as the season progresses and with all that power on the team Norwood may still attain a high spot

Crossed Sticks and Skinned Shins

Field Hockey has been a fast growing sport at Norwood High School. When the sport first started here at Norwood High, a group of interested girls joined and learned the basic skills of field hockey and played on an intramural basis. Last year the Norwood High girls were able to assemble two field hockey teams: a varsity and a junior varsity team. They played eight games during the course of the season and, for the most part, other schools which were also first year teams.

The Norwood High teams made such a good showing, demonstrating a high calibre of play for a first year team, that it was

decided they would go into the Bay State League schedule. The league schools played were Walpole, Natick, Framingham South, Framingham North, Dedham, Braintree, Wellesley, and Needham. Two non-league games were played: one with Braintree High School and one with Thayer Academy. The record of three tied and seven lost did not indicate the skill and style with which the girls played.

Although Norwood was the only team in the league that lacked experience no team anywhere showed better spirit than the Norwood High team.

Our Bows Were All A-Quiver

A small group of enthusiastic girls formed an archery club early in the fall season and enjoyed Robin Hood's time-honored pastime with ardor and vigor.

The members of this group were instructed by Miss Florence Sullivan of the Physical Education Department in the fundamentals of archery. Having established their sheeting lines and having set up their targets, they learned about stringing their bows, proper stance, nocking, draw, anchor, aim, release and follow-through. They were also given advice in regard to safety precautions and learned to score and to remove the arrows from the target. Good

posture as well as good fun was one of the concomitant benefits of this sport.

Patricia O'Brien was the leading scorer of the group. She shot a 178 for six ends. Patricia also scored the most bull's eyes, with a total of twenty-two.

Nancy David was the second highest scorer for six ends with a total of 177 and 7 bull's eyes.

Liza Crowley had some fine scores and came in second in the number of bull's eyes with a total of nine.

All participants gained in skill and posture and had fun doing it.

Class Will and Testament

We the class of Nineteen Hundred and Sixty-Six, being of remarkably sound body and relatively sound mind, do hereby proclaim this to be our last will and testament, bequeathing our most cherished possessions to deserving undergraduates and faculty members and do proclaim all other endowments set forth in our names null and void.

Article I: To Mr. Monbouquette we leave our gratitude for his guidance and understanding throughout our four year journey, and a boutonniere for being the best-looking principal around.

Article II: To Mr. Piccirilli we bequeath an assortment of twenty-two year old turquoise ties to add to his already impressive collection. Furthermore, in view of the solemn importance of this gesture, the entire class will hold a necktie party for him following graduation.

Article III: To Miss Ryan we leave a senior-size thank-you note and a number of "granny" dresses to solve the problem of rising hemlines.

Article IV: To all our senior advisers and other faculty members who have been with us for four years we leave our thanks and a well-earned summer vacation.

Article V: To Mrs. Riley we bequeath our deepest appreciation for her leadership and hard work on the class yearbook, and an Indian warbonnet as the chief Tioteer.

Article VI: We leave any member of the faculty "carte blanche" to look around for a likely spouse on the faculty roster, and a suggestion that they hurry up because business seems to be booming.

Article VII: To Mr. Peterson we leave the middle stair case which he guards so well to be known hereafter as the Walter J. Peterson Memorial Staircase.

Article VIII: To Mr. Dehler we leave a Batmobile with the hope that it will put a little "pow" into Latin literature.

Article IX: To Mrs. Couture we leave a welcome mat for her new home and the assurance of our willingness to wipe our feet thereon.

Article X: To Mr. Flaherty we leave a computer to process the reams of information he receives from his spy network.

Article XI: To Miss Young we leave our best wishes for her "date with Dino".

Article XII: To Betty Grullon, our foreign exchange student, we leave an invitation to visit us any time in the future and a year's supply of strawberry ice cream.

Article XIII: The senior members of our winning hockey, football, track, basketball, baseball, gymnastic, and wrestling teams leave a challenge to match their accomplishments.

Article XIV: "Liz" Callahan and "Mike" Bradley leave their crowns and scepters to next year's royal couple.

Article XV: Paul Riccardi leaves to Tommy Cassidy his flair for attracting the fair sex.

Article XVI: The Tiot editors-in-chief, George Rakauskas and Gail Rosata, leave a supply of No-Doze and a challenge for the Class of 1967 to get a pair of editors with matching initials.

Article XVII: Jon Purnell leaves his post as class president with visions of Billy Crowley dancing in his head.

Article XVIII: To Mr. Nolet we leave the hope that Christmas will bring him another Chris.

Article XIX: Jim Cleary and Tom Costello leave their "best friends" label to next year's inseparables.

Article XX: Bob Donahue and Bill Hasenfus sadly leave behind two underclass members who will have to learn to live without them.

Article XXI: Beth Donovan leaves her position as class treasurer a lot richer for the experience.

Article XXII: To Richie Hebner, Chris Effertz, and John Solomon we leave starring roles in *Batman*, for they were truly our "Boy Wonders".

Article XXIII: Loftin Elvey leaves his brain to Harvard Medical School so science may discover how "one small head could carry all he knew".

Article XXIV: Ellen Morgen, Donald Anastasia, Susan Dobson, Bob Clifford, Pamela Bowen, and Mary Phalen leave their positions as Tiot editors with fond memories of late afternoon fatigue and misplaced funds and pledges.

Article XXV: Irene Gotovich, Michael Adelmann, and Manny Branco leave a number of old layouts of dubious artistic merit and some well-used razor blades.

Article XXVI: Andrea Bremer leaves her post of newspaper editor to any brave soul who has steady nerves and endless patience.

Article XXVII: Charlie Bevivino, the President of the Student Council, after a year of gavel banging and seconding motions, leaves his presidency to George O'Brien, who has all the qualifications of a fine leader.

Article XXVIII: To Miss Hubbard and Mr. Buscone the Student Council members leave their gratitude for encouragement and support and also a new door for the Student Council room.

Article XXIX: To Mr. Learnard we leave our high regard for his "more bounce to the ounce" and his many contributions to the Science program.

Article XXX: To Mr. Sullivan we leave our gratitude and appreciation and the hope that private school teaching will not make him snobbish.

Article XXXI: To Mr. Gulla, Mr. Wheeler, Mr. Nolet, and Mr. Richardson we leave Avis rent-a-cars for trying harder.

Article XXXII: The class of '66 leaves full school days during exams with vexation and relief — Attention School Committee!

Article XXXIII: "Skip" Ellis leaves.

Article XXXIV: The class leaves its large collection of marbles, hoping that next year's seniors won't be as careless with them in the boys' gym.

The Class of 1966 leaves with pride, regret, and anticipation: proud in the knowledge that we are graduates of Norwood High School; regretful because we leave behind a school full of memories, friends, and the reassurance of a familiar setting; and anticipation for the future and the freedom and promise it holds for each of us.

In witness thereof, we have hereunto subscribed our names and affixed our seal on this the tenth day of June in the year of Our Lord Nineteen Hundred and Sixty-six.

You're My

Captain

I'M JUST A WHEEL. A steering wheel. And you're my captain. Behind me you're the lord and master of a miracle. You can make me take the kids to school. You can turn me down the sunny road toward town. With me you can guide your goods to the market place . . . you can rush the sick to be healed . . . you can go in minutes to places hours away. You can do magic.

Yet, in the blink of an eye, in the tick of your watch, I can turn deadly killer. I can

snuff out the life of a kid still full of life—maybe *your kid*. I can twist a smile into tears. I can wreck and cripple and destroy. I can deal out death like the plague. And I'm no respecter of persons. A child, a grandmother, even *you*, my friend . . . it's all the same to me.

I'm sensitive. I respond instantly to the hands you give me. Give me calm hands, steady hands, careful hands . . . and I'm your friend. But give me unsteady hands, fuzzy-minded hands, reckless hands . . . then I'm your enemy, a menace to the life, the happiness, the future of every person, every youngster riding, walking, playing.

I was made for pleasure and usefulness. Keep me that way. I'm in your hands. I'm just a steering wheel. And you're my captain. Behind me you're the lord and master of a miracle . . . or a tragedy. It's up to you.

Ties — All the Way to the Top

(Continued from Page 180)

The Blue and White could taste the Championship (after defeating the league leaders on successive weekends), as they next defeated Needham 21-6.

Walpole stunned Norwood the next Saturday with a 26-6 victory led by their outstanding quarterback, Brad Brooks.

Norwood then travelled to Dedham for the big Thanksgiving Day game and defeated the home team 8-0 in a hard fought contest.

This capped a great season as Norwood also became the Bay State League Co-Champs with Framingham South. Next year's team will be hard pressed to replace '66's great seniors; but under the leadership of Tommy Donovan, we wish them good luck and hope to see Tommy, Joe Smith, and Tom Shea lead Norwood to victory over the Shiretowners again next year.

Bay State Champions

(Continued from Page 186)

This year's defensemen, Bob Clifford and Jack Cronin, had one of the finest records in the state. Rusty Tobin backed them ably despite an injured knee.

Sophomore All-Star Neil Higgins surpassed all expectations and had a great year. His numerous shut-outs and superb goals against average show his ability. Senior Dan Maloney deserves credit for his role of back up goalie.

The following tally shows the results of a wonderful year that ended rather anticlimatically:

Bay State League

Norwood 0	Needham 1
Norwood 2	Wellesley 0
Norwood 8	Natick 0
Norwood 1	Walpole 2

Norwood 6	Braintree 0
Norwood 6	Framingham N. 0

in the league. There is plenty of personal brilliance among the players and as their team work improves, there is every reason to believe that their cooperative efforts will show up in the victory column.

The season is still young as we go to press and the following games are still to

be played: two games with Walpole, two games with Natick, two games with Braintree, two games with Milton, two games with Dedham, one game with Framingham South, one game with Wellesley, one game with Needham, and one game with Framingham North. G. R. '66

"How It's Done in Santo Domingo."

A Foreign Exchange Student's Reaction To Norwood, Massachusetts and the U.S.A.

America and the American people were a big surprise to me because they didn't correspond at all to the picture I had of them before I came to this country from my home in Santo Domingo. I thought that Americans were so concerned with their techniques and material progress that all they would talk about would be factories, making money, and outer space.

The meeting with my American family, the Bremers of 18 Mylod Street, Norwood, Massachusetts, and my first week at Norwood High School showed me how mistaken I was. I found my new family to

be sympathetic and understanding, and to have a wonderful sense of humor. At school I found teachers and students alike ready to help me and to be friendly and interested.

To be sure, my first week at school was full of confusion and apprehension. Confusion because I felt lost in the huge building where everybody but I seemed to know where to go, and my troubles with the language! I didn't dream that the day would come when I could understand for five minutes what was going on in my classes,

High towering mountains,
Fields gold with grain,
Flocks on the plain,
Homes blest with peace,
This is the heritage we've kept through the years,
Stout hearts and true,
Hold fast what is ours;
God give us courage through darkest hours;
And guide with thy hand
America, Our heritage,
Our homeland,
Wide rolling prairies, lakes, deep and broad,
Canyons majestic fashioned by God;
Life lived in peace, contented and free;
This is the heritage forever to be.

"Halls of Ivy"

Oh, we love the halls of ivy that surround us here today
And we will not forget tho' we be far, far away,
To the hallow'd halls of ivy ev'ry voice will bid farewell
And shimmer off in twilight like the old vesper bell.
One day a hush will fall,
The footsteps of us all will echo down the hall and disappear,
But as we sadly start our journeys far apart,
A part of ev'ry heart will linger here.
In the sacred halls of ivy where we've lived and learned to know,
That thro' the years we'll see you in the sweet afterglow.

A Foreign Exchange Student's Reaction

(Continued from Page One)

and I could stop giving a silly smile so people would think I understood when I didn't. Some of my apprehension was due to these factors and also to the fact that I couldn't seem to stop all those swinging doors before they hit me.

My year at Norwood High School has been a wonderful experience which I wouldn't trade for anything in the world. It has enriched my life spiritually and intellectually. Sometimes I feel that I have received much more than I have given, and this makes me feel bad.

There are thousands of things which I shall never forget about Norwood. Among them are: the innocent beauty of the cold, white snow; the golden color of the leaves in the fall; the school spirit that characterized the games and the school parties; the independence and aspirations of the young people; the kindness and patience of my teachers with my English troubles; and the love and complete acceptance that I found in the home of the Bremers, my American family.
